Press Release

Paradise Irrigation District Board to set date for recall election

Supporters for the recall of two Paradise Irrigation District board members have submitted enough qualified petition signatures to require a recall election, according to a report issued late Friday by Candace Grubbs, Butte County Clerk-Recorder/Registrar of Voters. The PID board will meet to draft a resolution and an order calling for the election.

A recall of a PID director requires 3,203 signatures qualified by the County Clerk's office. The petition to recall Director Sep Carola (Division 4) had 3,271 qualifying signatures, while the petition to recall Director Larry Duncan (Division 3) had 3,321.

With the County Clerk's qualification, any eligible PID customers in Divisions 3 and 4 now have the opportunity to file as a candidate to replace Carola and Duncan if either or both are recalled in the special election.

PID will announce the open filing period for candidates as soon as the date is set. Watch for notices in the media, as well as at ParadiseIrrigation.com and [Facebook.com/PIDWater](https://www.facebook.com/PIDWater). The website also has a district map showing the boundaries of each division.

"Members of our community have used the democratic process to share their concerns," notes PID General Manager George Barber. We look forward to voters educating themselves and participating fully in the upcoming election."

Call Paradise Irrigation District at 530/877-4971 with any media questions. Copies of the letter from the Butte County Clerk-Recorder are available upon request.
